**Dear Sir/Madam,**

I am writing for an internship in your company as a **Website Developer**.

It appears that my major and career interest very much in line with your requirement. I am now writing to apply this position for an internship.

As you will see from the enclosed CV, I undergraduate (2<sup>nd</sup> year) in Computer Science at the National Institute of Posts, Telecoms and Information communication Technology.

I used to work with many small Web-projects in my class. However I also do assignment about DomreiHR. Moreover I had finished HTML class in online course.

Although, I had joined Cyber Security short course prepared by Ly Vandy manager of Cambodia IT Security Consultant, Cyber Security Expert, Cybersecurity services.

I do hope that you will consider my submission with your favor. In advance, thanks you very much for your time and any consideration or support you will give me.

I am looking forward to hearing from you at your earliest convenience.

Sincerely,

**CHAMNAB**

YUN CHAMNAB
