Dear Sir/Madam,

I am writing for an internship in your company as a **Website Developer**. Given the skills and experience outlined in my enclosed resume, I believe I will be a worthy asset to your team.

In my two years at NIPTICT, I've completed a great deal of coursework on developing and design, including Web Application and Mobile Application.

In addition, I used to work with many small Web-projects in my class. However I also do assignment about DomreiHR. Moreover I also had finished HTML class in online course.

Although, I had joined Cyber Security workshop prepared by Mr. Ly Vandy manager of Cambodia IT Security Consultant, Cyber Security Expert and Cybersecurity services.

Finally, my two years as a student at NIPTICT has taught me the importance of building convenient. It also helped me to grow my skills in team collaboration, leadership and project management.

I believe I would make an excellent addition to your team. This internship would help me grow my real-world experience in the technology industry and help me further develop and refine my web development skills.

I am looking forward to hearing from you at your earliest convenience.

Sincerely,

YUN CHAMNAB
